

Diamond Elementary PTA is a group of parents and teachers who come together to **support** our **students** and the school **community**.

There is a role for **everyone** in the Diamond PTA! We **welcome** your support by participating in events with your family, attending PTA meetings, and volunteering to help with PTA activities. Everything we do is designed to **enrich** the educational experience and environment for all of our students and staff - and the more parent **involvement** we have the more our children **benefit!**
